

TECHNICAL SPECIFICATION:

- 1.The goods meet the related standard of IEC 60099-4.
- 2.Rated Voltage :10KV
- 3.Creepage distance:330mm.
- 4.Continuous operating voltage:8.4KV
- 5 DC 1mA reference voltage: 15KV.
- 6.The leakage current of 0.75-fold U1mA reference voltage:≤50 μA.
- 7.Frequency 1mA reference voltage:≥10KV.
- 8.Continuous operating voltage resistive current:≤200 μA.
9. Partial discharge at 1.05 times the continuous operating voltage: ≤10pC.
10. High current impulse (4/10 μs): 100KA.
11. 8/20 μs lightning current impulse residual voltage:≤30KV.
12. 2000 μs square wave current capacity: 250A.
