

TECHNICAL SPECIFICATION:

- 1.The goods meet the related standard of IEC 60099-4.
- 2.Rated Voltage :27kV
- 3.Creepage distance:855mm.
- 4.Continuous operating voltage:22kV
- 5 DC 1mA reference voltage: 41kV.
- 6.The leakage current of 0.75-fold U1mA reference voltage:≤30μA.
- 7.Frequency 1mA reference voltage:≥27kV.
- 8.Continuous operating voltage resistive current:≤200μA.
9. Partial discharge at 1.05 times the continuous operating voltage: ≤10pc.
10. High current impulse (4/10μs): 100kA.
11. 8/20μs lightning current impulse residual voltage:≤81kV.
12. 2000μs square wave current capacity: 250A.
