

TECHNICAL SPECIFICATION:

- 1.The goods meet the related standard of IEC 60099-4.
- 2.Rated Voltage :30kV
- 3.Creepage distance:960mm.
- 4.Continuous operating voltage:24.4kV
- 5 DC 1mA reference voltage: 46kV
- 6.The leakage current of 0.75-fold U1mA reference voltage: $\leq 30 \mu\text{A}$.
- 7.Frequency 1mA reference voltage: $\geq 30\text{kV}$.
- 8.Continuous operating voltage resistive current: $\leq 200 \mu\text{A}$.
9. Partial discharge at 1.05 times the continuous operating voltage: $\leq 10\text{pC}$.
10. High current impulse (4/10μs): 100kA.
11. 8/20μs lightning current impulse residual voltage: $\leq 90\text{kV}$.
12. 2000μs square wave current capacity: 250A.
